ABOUT SENTOSA ISLAND

Sentosa is Asia's leading leisure destination and Singapore's premier island resort getaway, located within 15 minutes from the central business and shopping districts. The island resort is managed by Sentosa Development Corporation, which works with various stakeholders in overseeing property investments, attractions development, operation of the various leisure offerings and management of the residential precinct on the island. The Corporation also manages the Southern Islands, and owns Mount Faber Leisure Group which runs Singapore's only cable car service.

The 500-hectare island resort is home to an exciting array of themed attractions, award-winning spa retreats, lush rainforests, golden sandy beaches, resort accommodations, world-renowned golf courses, a deep-water yachting marina and luxurious residences - making Sentosa a vibrant island resort for business and leisure. Making Sentosa its home, too, is Singapore's first integrated resort, Resorts World Sentosa, which operates South East Asia's first Universal Studios theme park.

Situated on the eastern end of Sentosa Island is Sentosa Cove, an exclusive residential enclave. By 2014, it will be bustling with some 2,000 homes, romantic quayside restaurants, retail and specialty shops. Offering Singapore's only truly oceanfront residences, Sentosa Cove is fast becoming the world's most desirable address.

The Island is also proud to be home to Sentosa Golf Club and its two acclaimed golf courses, The Serapong and The Tanjong. Since 2006, Asia's richest national open, the annual Barclays Singapore Open, has teed off on The Serapong with star-studded line-ups featuring international players and golf professionals from Asia, Europe and the USA playing to nail-biting finishes.

Welcoming a growing number of local and international guests every year, Sentosa is an integral part of Singapore's goal to be a global destination to work, live and play.
